

DHL BECOMES A WORLDSKILLS GLOBAL INDUSTRY PARTNER

For release: 21 July 2016

DHL Trade Fairs & Events GmbH is now a WorldSkills Global Industry Partner. Known for their expertise in large scale event logistics, DHL has prestigious and long-running partnerships with many of the world's leading events. Now as a Global Industry Partner and Official Logistics Provider of WorldSkills International, DHL joins the WorldSkills community supporting global skills competitions and events.

As the world's leading event logistics service provider, DHL provides customers with a complete portfolio of exhibition and event logistics services. DHL's support of WorldSkills reflects both their understanding of the impact large events have in bringing the world together, and the importance of showcasing skilled careers to improve global economic development.

"DHL's global network and extensive experience in large scale events, makes them an ideal partner for WorldSkills," said Alexander Amiri, Director of Sponsorship and Partnership for WorldSkills International. "WorldSkills Competitions are now included on a list of high profile events supported by DHL that range from fashion to football. As a Global Industry Partner, DHL is joining a valued group of organizations committed to improving the world through the power of skills."

Vincenzo Scudato, Managing Director of DHL Trade Fairs & Events said, "For us, this partnership and the overall values of WorldSkills perfectly match our Group's purpose to connect people and improve lives. We leverage our core competencies and the know-how of our people to contribute to social progress and to provide sustainable solutions – we are proud to be part of this great organization now."

DHL is WorldSkills logistics company of choice providing logistical services to Competition Organizers, Members, partners, and stakeholders, shipping critical equipment, tools, and materials to and from WorldSkills events. For more information on DHL Trade Fairs and Events visit www.dhl-tfe.com.
